Show Day Information for Participating Vendors

Important set up information

Set up times: Day of the show January 19, 2020 from 9:00 a.m. to 11:30 a.m.

Please be finished setting up by 11:30 a.m. the day of the show.

To find your booth space look for your company name on the tables or ask a Bridal Spectacular representative to show you where to go. There will be maps, and lists posted on entrance doors as well.

Many of you may only have a small number of items to carry in and others require use of the loading dock. Vendors with small loads may enter through front / side doors, large loads come through loading dock. If using a Century Center loading cart, please unload your things quickly at your space so that others may use the carts.

No breaking down your booth before 4:00 pm., even if you run out of product or samples. **Booths must be manned until closing time.** We will give the Ok when it is time to tear down.

Tables & Rentals

If you need to rent extra tables or skirting, please contact Burns Rent-All's Inc. 574-259-4807 Lauren is the contact. (This is for vendors with 10 x 10 spaces or bigger only). *You may also bring your own tables if you would like.*

There is a fee for extra tables and chairs if you think you might need extra you may want to bring a credit card or cash to pay for it with at the time of setup. If you will not be needing any tables for your booth space, please let us know prior to show day. This helps us to be able to focus on other show details instead of moving tables around the day of the show.

Electric

Electricity must be ordered ahead of time from Century Center. Electric is \$50 in advance and \$75 to order the day of the show. You will find an electric form in this packet. Century Center also offers private WIFI connections for vendors who many need it to stream videos or connect computers. 574-235-9711

Special Note

Just a quick note to all vendors. If you are ordering flower arrangements for your booth or will have items on display **from another company and they are not a vendor in our show it is not acceptable to have any signage that has their name on it in your booth.** This was a big problem in the past and is only fair to the vendors in our show. If there is any such signage you will be asked to remove the sign. **If you will be displaying items from a company that is a vendor in our show that is fine to give credit.** You can call or e-mail me, and I can give you the name of the florist in our show that you may wish to order from. Please remember that you are there representing your business and that sharing your space with other bridal vendors or distributing their information is not acceptable.

Food Vendors / Caterers and Samples

Vendors handing out food samples will need a one-day health permit. **Permits must be obtained no later than one week before the show date.** I have attached a copy of the permit form for you to fill out and Contact the St. Joseph County Health Department. 574-235-9721

Samples must not be greater than 2 oz and must be distributed by exhibitor.

Parking

Everyone (including Bridal Spectacular staff) must pay to park in the Century Center parking lot. If you do not wish to pay for parking, you will need to park out on the street or have someone drop you off. Parking is \$5 per vehicle. Also, please be aware that South Bend has made changes to their streets and many streets are now no longer one way.

Food and Snacks

There will not be a restaurant open for snacks and food this year. Please plan accordingly. Also, please remember that food samples are for the brides and grooms and their guests to sample. We have had many complaints of vendors and models making lunch of catering samples and making multiple visits to refill.

Show Edict

Please stay in your designated booth area. *Walking around handing out information or placing fliers on the fashion show seats is prohibited.* Please keep noise in your area to a minimum. Do not block the booth next to you with your display. If you have a 8' table space your signs must be on your table top or on the front of your table. High back drops and large signs are no longer permitted in table spaces, *only in 10'x10' spaces.* If you need to upgrade to a 10'x10' booth space to accommodate your display or have questions, please call 574-360-5372.

Please...No handing out information for other companies not in the show or information about other bridal shows. If you see anyone handing out literature to brides, grooms, or vendors who is not a vendor in the show please let the Bridal Spectacular staff know right away.

Door Prizes

Every vendor is required to give a door prize worth \$25.00 or more. This must be an actual item or gift certificate. It may *not* be a prize of a discount off a services or product from your company that requires an additional purchase to receive the gift.

Please have your prize clearly marked with your company name or business card on the outside.

Prizes should be brought to the table next to the fashion show stage before the doors open. Due to the large number of gifts to give away we will not be able to write down the name of the winner for each prize. If a prize has not been claimed by the end of the show, we will draw another name. Our goal is to keep the fashion show moving quickly so Brides can get back to visiting with vendors as soon as possible.

If you want to have smaller drawings at your booth you may.

Show Day

If you or your staff will not be able to attend the show for any reason, please contact Andrea Nissley at 574-360-5372. We will still provide you with your lead list but will not issue a credit or refund for your booth space for cancellations or no shows.
